Format:

- Racquetball Canada Rules apply - including *Avoidable Hinders*
- All matches are one game to 21 (win by 1 point)
- Hard Core format (point on every rally)
- Must serve to win match (cannot score 21st point while receiving serve)
- Two Serves
- Handi-capping:
 - Handicap is the difference in the player's averages
 - Your starting average is your final average in the last league
 - New players will start with an average of 17.750
 - The player with the lower average starts at zero
 - The player with the higher average starts at minus the differential
 - All differentials are to be rounded up e.g.
 - a differential of 0.001 becomes 1
 - a differential of 1.001 becomes 2
 - If your standing is **10 spots** above your opponent's you must play double hard core
 - the player with the lower average scores a point when winning any rally
 - the player with the higher average can only score a point when serving and winning the rally
 - If your standing is **15 spots** above your opponent's, in addition to playing double hard core you will only be allowed one serve
- Only one game per opponent per night will be recorded
- Minimum of 25 matches required for high average standings.
